

WELCOME!

This is the District Nine Thespians Performance Assessment & One-Act Festival of 2021-2022! Remember, we are all representing what is most desired and admired in our participation: performing and viewing. Cell-phones, I-Pods™, headphones, earbuds, cameras, food, candy, gum, beverages, and hats are not the props of a respected Thespian. We all know that our blocking does not include putting our feet on the seats, entering or leaving the theatre during a show, or doing anything that distracts from the full theatrical experience of the audience or actors. And, as audience members, we, most certainly, are aware that no dialogue has been assigned to us, cell-phone or live, in the house or lobby, for the duration of each performance. Remember, **no texting, photography, or recording** is permitted in the theatre at any time. Remember, to be in attendance at this festival, you must wear your assigned name-badge created from your troupe's registration. Should you not have your badge on (visibly) at all times, or are wearing someone else's badge without the District Chairs' approval, or if you are not in compliance with all Thespian and School rules, you and/or your troupe will be subject to immediate removal from the Festival, and possible further sanctions from Florida State Thespians and Hillsborough County Schools.

At the conclusion of the One-Act Festival, four plays with an overall Superior rating and the highest overall scores will be chosen to represent our District at the Florida State Thespian Festival on March 16-19, 2022. The judges will also select award recipients in the categories of: Outstanding Lead Performer, Outstanding Supporting Performer, Outstanding Performance Ensemble, Outstanding Technical Achievement,

Outstanding Student Contribution, and An All-Star Cast representing performers from each of the plays produced.

The Florida State Thespian Society schedules performances as registered. It is to be assumed that there may be adult-oriented material and/or language in some plays. Each performance is presented under the direction of the individual troupe sponsor, and with the approval of that school's administration. All troupes are asked to "asterisk" any performances that contain adult-oriented material. These "asterisked" performances now contain codes to assist our audiences in understanding the nature of the material: **L** for *Adult Language*, **S** for *Sexual Situations*, **D** for *Frank Talk of Death*, **SA** for *Substance Abuse*, **V** for *Violence*, **R** for *Religious Commentary*, **G** for *Gunshots*, and **P** for *Works Related to Prejudice or Intolerance*. Additionally, these plays will be prefaced with a verbal warning before their performance. We urge you to consider this information when making your choices of which selections to attend and view. Our intent is not to offend, but certainly to allow our thespians to experience the theatrical art, and to allot for the differences in standards of performance that exist between communities and schools across our state.

We wish great successes to all of the troupes involved in the festival. Remember, the awards are secondary...what is (and should always be) most important, are the experiences you share, the theatre you create, and the friendships you make. That is, what it means to be a Thespian.

The District Nine Thespians wish to extend our great appreciation to Beau, Lee, the TheatreUSF faculty and staff, and the USF student tech crew for all of your warmth, kindness, hospitality, and professionalism. Thanks for allowing us to stage our dreams!
